

Disposal & Recycling Center

2025 Compost Sale Begins April 24th!

Sales are going to run over the course of the year until supplies are exhausted.

Prices are: **\$28.00** per Can, **\$5.00** per Bucket

Parties are limited to two 30 gallon cans or twelve 5 gallon buckets. Supply your own containers or borrow ours!

Drop your containers off with your name clearly written on them and pick them up the next day. Those willing to fill and load their own containers will be allowed to do so between **April 24th** and **May 10th**. The gates will be open early at 9:00 AM and will remain open until 4:00 PM for compost gathering **ONLY**, no trash or recyclables before 11:00 AM or after 3:00 PM.

Please have a payment method ready when purchasing compost.

It is recommended to wash you hands after handling compost.

Our compost is not considered “organic” as defined by the US Composting Council due to non organic food items used in the processing of our compost.
