Airlift Northwest

\$60 per year

Airlift Northwest Membership protects you and members of your household from the unexpected costs of air transport during a medical emergency. When you or a family member are seriously ill or injured, the attending physician or emergency response team may determine that air medical transport is needed. In those cases, you may request Airlift Northwest.

Guardian/AirMedCare

\$125 Per year

In an effort to give the communities we service both financial peace of mind and substantial savings for air medical transports, Guardian Flight offers an exclusive membership program to citizens living within our service areas.

Members are guaranteed not only exceptional care and prompt service, but they also have all out-of-pocket expenses waived when Guardian Flight provides air medical services for them or their dependents. Membership plans are available for both the insured and the uninsured.
